

6-month Internship in Transaction Services

Eight Advisory is a fast-growing European advisory firm, advising clients to overcome challenges and drive sustainable value across Transactions, Restructuring, Transformation and Financial Engineering. We are growing fast across all our different business lines and opening offices worldwide.

With 74 partners and more than 600 employees in France, Belgium, the Netherlands, UK, Germany and Switzerland, Eight Advisory respond to a growing demand for financial advice of private equity firms, medium- and large-sized corporates and investment banks.

To support our teams, we are looking for motivated and proactive Intern in our Transaction Services team.

Our Offer

As an intern within our Transaction Services team, you will execute and deliver Transaction Services projects for front-ranking private equity and corporate clients. This involves corporate acquisitions and disposals, but also covering value-enhancing portfolio management projects. You will work in diverse teams and help conducting analyses, with a full exposure to all stages of the assignment. Your team members (from the senior to the partner) participate in your day-to-day training to help you acquire all the technical knowledge required.

Your Profile

We are looking for ambitious and diligent applicants, with a developed quantitative mind and able to work in team.

- Currently pursuing a bachelor-/master's degree from a recognized university or business school with preferably a major in Finance, Accounting, business administration or similar
- Excellent analytical skillset and an entrepreneurial mindset
- Proficient in MS Office – especially MS Excel – with experience with analytical tools is a plus
- Previous internships or work experience in corporate finance (audit, M&A and other related fields) is a plus
- Fluent written and spoken English and either French or Dutch, with a third European language being a distinct advantage
- Available for an internship of 6 months

Application
