

About us

The Capital Link is an independent investment banking boutique that provides all aspects of high quality services to companies, company owners and investors involved in **mergers & acquisitions**, equity & debt raising and financial management. This includes any possible strategic, financial advice, deal structuring and due diligence conducting/support. As such, The Capital Link provides an end-to-end solution and forms a serious alternative to large investment banks.

Internship possibilities

The Capital Link is continuously searching for highly qualified and motivated individuals who are looking for their first experience. Internships offered have a minimum duration of 2 months, preferably longer up to 6 months.

Your profile

- Graduated or enrolled in a Master in (Applied) Economics, Commercial Engineering, Management or Finance
- Strong affinity with M&A and Corporate Finance
- Highly motivated team player who can also work autonomously
- Critical mind-set combined with good analytical skills
- Fluent in Dutch and English
- Knowledge of corporate finance, M&A and valuation is a strong plus

Your responsibilities

Our interns are strongly involved within the team and it is possible to work on a range of different projects with different responsibilities:

- Performing financial analysis, strategic business analysis and detailed industry research
- Involvement in drafting presentations, pitch books and memoranda
- Financial statement analysis and financial modelling
- Helping in the execution of corporate finance transactions
- Updating multiple tables and recent transactions
