

ABOUT WEERTS GROUP

Weerts Group is a family-owned group, headquartered in Liège, Belgium, with pan-European operations in 3 key complementary sectors: Logistics, Real Estate and Motorsport.

Geographically, its main activities take place in the Benelux, United Kingdom, France, Germany, Italy, Hungary and Romania, but the motorsport team provides a window to the world, participating in races on five continents.

The Logistics Division provides innovative, high value-added warehousing, transport and contract logistics services on various sites in and around the Liège region (Belgium),

The Real Estate Division is active in 3 assets classes in 9 countries:

- Residential Real Estate in Belgium and Luxembourg;
- Logistics and (semi-)Industrial Real Estate in Belgium, the Netherlands, United Kingdom, France, Germany, Italy and Hungary;
- Office Real Estate in Romania.

The Motorsport Division sees its racing team (WRT) participate in various championships around the globe. WRT's subsidiary AMP is active in manufacturing and preparing race cars.

Purpose

The purpose or reason of existence of the Weerts Group is "Building Engines for Value Creation". We are building, ever up to the next level. We aspire to create value. For our clients, for our employees, for the shareholders and for the community at large. But we don't merely want to create value. We want to build organizations that, by their very design, become value generators (*"We don't tell time; We build clocks"*).

Mission

Our mission is to become one of the leading enterprises in Wallonia by 2025, respected in the business community for its success and in the larger society for the sustainable and social way in which it was achieved.

To realize our mission and show us the way forward, we want to hire the best.
