We operate truly globally with the bulk of our transactions involving cross-border M&A.

We offer:

- An intern position in our Brussels office
- Being an integral part of a dynamic, entrepreneurial team of seasoned investment bankers
- Steep learning curve in corporate finance, valuation and strategic thinking
- Broad exposure to a vast array of industries and clients
- The opportunity to fully contribute to the successful origination and execution of M&A transactions

Your role:

- Conducting market, industry and company research
- Carrying out company analyses including valuations
- Preparing pitches and marketing documents
- Supporting in the preparation phase of deal execution, e.g. drafting of information memoranda, teasers, identification of potential buyers
- Assisting in the due diligence phase of a transaction

You offer:

- A strong interest in M&A confirmed through studies and ideally prior internships
- A critical mind, business acumen and attention to detail
- Strong verbal and written communication skills, coupled with excellent interpersonal skills
- An assertive and self-motivated stance and the desire to succeed in a fast-paced, entrepreneurial environment
- An excellent ability to work in teams combined with a good sense of humor
- **Native Dutch and fluency in English – which will be essential, knowledge of French is considered a plus**
