

Tandem Capital Advisors

Tandem Capital Advisors is an independent M&A, Corporate Finance and Strategy Advisory firm located in Brussels.

The team is composed of former Investment Bankers and Strategy Consultants with experience in a wide range of sectors (Energy, Telecom, Food, Insurance, Industrial, Healthcare, etc.).

Over the past years, Tandem Capital Advisors advised its clients in a number of mid and large cap transactions including:

- Advisor to Fluxys on the acquisition of a stake in Dunkerque LNG from Total and EDF, elected as Best Large Cap Deal of the Year in 2018
- Advisor to Elia on the acquisition of a stake in 50Hertz for €980m
- Advisor to Nethys on the acquisition of a stake in NEB Participations from Belfius Bank
- Exclusive buy-side M&A advisor to CareEvolution, the VC HealthCare fund of Partena

Mission

During your internship, you will work on M&A and Private Equity assignments.

Typical assignments might include:

- Preparation and execution of M&A and Corporate Finance mandates
- Assistance on the execution of ongoing Private Equity transactions
- Company valuations and business plan reviews
- Assistance on the preparation of presentation material to prospective clients

Profile

Your experience and technical skills:

- Master with a specialization in Finance
- Outstanding academic record
- Any prior experience e.g. through an internship in an Investment Bank, a Private Equity Fund or a Strategy Consulting firm is an advantage
- MS-Office suite (Excel, Powerpoint)
- Bilingual: English – French or Dutch

Your personal abilities / skills:

- Outstanding analytical and commercial skills
- Displaying team spirit and pro-activity
- Being quality & results-orientated and showing high attention to detail
- Being self-disciplined

Our offer

- A dynamic and challenging work environment
- Continuous mentorship from experienced M&A professionals
- 3-6 months paid internship
