

1602 Capital Partners internship

Would you like to work in a close-knit, experienced and entrepreneurial team? Do you want to experience the world of M&A? We seek ambitious and motivated candidates that commit to a high level of professionalism and quality work, while also embracing the creativity, entrepreneurship and fun of a boutique firm.

Introduction

1602 Capital Partners is an independent Corporate Finance, Corporate Development and Private Equity firm. The company was founded by a team of professionals with extensive experience gained at internationally renowned (investment) banks, big 4 consulting firms and asset management firms.

Your profile

- Working towards or already completed a Master's degree in Economics, Sciences or Finance;
- Outstanding academic track record with strong analytical, quantitative and social skills;
- Strong verbal and written communication skills and an excellent command of the Dutch and English language;
- Highly motivated team player who can also work autonomously;
- Previous internship experience is an advantage, as well as extra-curricular experience;
- Proficiency in Microsoft Office;
- Available full-time for a 4-6 month period.

Your responsibilities

- Performing financial analysis, strategic business analysis and industry research;
- Supporting team members in drafting presentations, pitch books and memoranda;
- Building valuation models and performing other valuation analyses;
- Assisting in preparing due diligence projects.
