

## INTERNSHIP AT CASTELMORE GROUP

### About Castelmore Group

- Castelmore Group is a young and dynamic investment company that is led by entrepreneurs who actively follow up the management of their portfolio companies. We differ from other investment companies in that investments are made with the own resources of our partners, as such reinforcing our involvement. Castelmore Group has a sector agnostic approach but preferably invests in companies which are active in a B2B environment and that achieve EBITDA levels between 1M€ and 5M€. We currently have participations in the construction sector, marketing sector, packaging industry, travel sector and in the syndic sector.

### Job description

- At Castelmore Group you will become a true part of our investment team, assisting us on the following matters:
  - Market research related to potential future investments
  - Valuation and business modelling
  - Active participation in financial and commercial due diligence processes
  - Support in the daily portfolio management of existing investments

We are looking for interns that are available for at least three consecutive months. The starting date is flexible.

### Qualifications

- Proactive and can-do attitude
- Master student or MBA student
- Analytical mindset combined with pragmatism
- Thorough understanding of financial metrics and modelling
- Fluent in English and Dutch

To apply, please send your CV and cover letter to [info@castelmore.be](mailto:info@castelmore.be). Selected candidates will be invited for an interview as part of the recruiting process.
