

Tandem Capital Advisors

Tandem Capital Advisors is an independent M&A and Corporate Finance firm located in Brussels.

Since its creation in 2016, Tandem Capital Advisors has grown at a fast pace. Today, the team consists of eight professionals with outstanding track record at leading investment banks and tier 1 strategy consulting firms.

Over the past years, Tandem Capital Advisors advised large corporate companies, successful entrepreneurs, private equity firms and public institutions in numerous mid and large cap transactions including:

- Advisor to Fluxys on the acquisition of a stake in Dunkerque LNG from Total and EDF, elected as Best Large Cap Deal of the Year in 2018
- Advisor to Elia on the acquisition of a stake in 50Hertz for €980m
- Advisor to the shareholders of Urbani on the sale of the company (c.100m residential portfolio)
- Exclusive buy-side M&A advisor to CareEvolution, the VC HealthCare fund of Partena

Mission

During your internship, you will work on M&A and Private Equity assignments.

Typical assignments might include:

- Preparation and execution of M&A and Corporate Finance mandates
- Assistance on the execution of ongoing Private Equity transactions
- Company valuations and business plan reviews
- Assistance on the preparation of presentation material to prospective clients
