

Introduction

Are you a student or recent graduate with a keen interest in M&A and investments? At Cap Expand Partners, we offer you the opportunity to gain hands-on experience in key facets of the transaction process. As an intern you will work closely with senior professionals and assist in a variety of projects.

Cap Expand Partners (www.cap-expand.com) is a specialist private market investor. We provide debt and equity capital to companies in the Benelux on behalf of wealthy families. Our aim is to improve economic, personal and social well-being by investing in companies that address today's most pressing issues.

Our team consists of highly committed and talented individuals and we strive to provide a nurturing and collaborative working environment, finding the right balance between hard work and fun.

You will assist the team by

- Preparing valuations, including DCF and LBO models
- Reviewing potential investment opportunities
- Participating in meetings and preparing deliverables for live projects
- Supporting commercial efforts, including drafting presentations and conducting market research

What we offer

- A 3-6 months internship program all year round
- A dynamic work environment for an exclusive investment firm
- Exposure to key facets of the M&A and investment process
- Flexible work and commuting arrangements (transportation allowance included)

Skills you will develop

- Valuation and modelling skills (DCF, LBO, multiples)
- Professional Excel and PowerPoint skills
- Expertise in preparing other deliverables for M&A and investment processes

What we look for

- Bachelor's degree (BSc.) or higher, and an outstanding academic record
- Written and spoken proficiency in English (fluency in Dutch is considered a plus)
- Eye for detail and uncompromising on quality
- Strong analytical skills
- Results-oriented and eagerness to learn
- Demonstrated interest in finance
