

Job Title	Analyst Intern
Term	TBD
Dept and Location	Listing/Euronext Corporate Services, Brussels
Reports to	Benoit van den Hove

JOB PROFILE

Euronext Brussels is looking for an analyst intern to join the dynamic Listing/Corporate Services team in Belgium. Main responsibilities will include the preparation of sector- and company-specific analyses, the modelling of market monitoring tools, as well as working on cross-team projects with the other Euronext locations.

KEY ACCOUNTABILITIES

LISTING:

- Conduct industry, market and company-specific research
- Support sales representatives in preparing meeting and pitching materials, spanning the entire value chain
- Support the team by contributing to the production of sales and market intelligence. This can range from analyzing the private funding ecosystem (Start-Ups, Scale-Ups, Private Equity, Venture Capital)
- Involvement in the launch and development of new initiatives (targeting innovative Tech SMEs across Europe, Family-owned businesses, etc...) and participation in the preparation of monthly and quarterly reports on market activity from a listing perspective
- Peers analysis and global ECM/DCM benchmarks
- Take part in a project dedicated to the design, project management and roll-out of a dedicated offering and suite of strategic initiatives (with potential themes including ESG, ICOs/Blockchain, Real Estate..)

POST-LISTING ADVISORY:

- Conducting both qualitative and quantitative analysis based on Clients' listing, peer and sectorial data
- Producing sectorial analysis on clients industry (Real Estate, LifeSciences, Tech)
- Active participation in improving the team's Excel models, creating new models
- Produce Excels and PowerPoints required by clients
- Contribute to the search for new clients by drafting pitches and commercial proposals
- Actively monitor ECM markets and relevant newsflow for clients and prospects
- Answer clients requests and queries on a regular or ad-hoc basis
- Monitoring Clients' shareholder and investor relations activity (shareholding ID, investor books, CRM...)

KNOWLEDGE, SKILLS AND EXPERIENCE REQUIRED

- Student majoring in either a finance or business related degree
- Previous internship/positions related to Equity Capital Markets/Investor Relations required. Applicants with professional references will be prioritized.
- Strong proficiency in financial databases (e.g. Thomson Reuters Eikon, Factset, Bloomberg) as well as very strong MS Excel and Powerpoint skills
- English fluency required, other European languages a plus
- Ability to work autonomously and with teams alike, under pressure with tight deadlines
- Very strong multitasking, organization, writing and communication skills
- Essential skills include attention to detail, rigor and a strong sense of accountability combined with a pragmatic approach
- Ability to synthesize large amounts of information, demonstrated aptitude for analytics and the ability to transform quantitative findings into deep qualitative analysis

VALUES

UNITY

- We respect and value the people we work with
- We are unified through a common purpose
- We embrace diversity and strive for inclusion

INTEGRITY

- We value transparency, communicate honestly and share information openly
- We act with integrity in everything we do
- We don't hide our mistakes, and we learn from them

AGILITY

- We act with a sense of urgency and decisiveness
- We are adaptable, responsive and embrace change
- We take smart risks

ENERGY

- We are positively driven to make a difference and challenge the status quo
- We focus on and encourage personal leadership
- We motivate each other with our ambition

ACCOUNTABILITY

- We deliver maximum value to our customers and stakeholders
- We take ownership and are accountable for the outcome
- We reward and celebrate performance

We are proud to be an equal opportunity employer. We do not discriminate against individuals on the basis of race, gender, age, citizenship, religion, sexual orientation, gender identity or expression, disability, or any other legally protected factor. We value the unique talents of all our people, who come from diverse

backgrounds with different personal experiences and points of view and we are committed to providing an environment of mutual respect. Strong proficiency in financial databases
