

Duration: 4-6 months (start: July 2020)

Location: Brussels

Division: Asset Management

Program: Long Term Internship

Program Description:

Rothschild & Co Asset Management division offers the independent long-term perspective in bespoke asset management solutions, design around the needs of each and every client.

We are a global multi-specialist asset manager delivering bespoke investment management and advisory services to institutional clients, financial intermediaries, and third party distributors.

We are looking for an enthusiastic student with an excellent academic background and great interest for a career in Asset Management to join our Brussels office for a six month internship in our Benelux Sales team.

You will have the opportunity to work with experienced professionals by participating in expanding our business throughout the Benelux. This program also constitutes a real opportunity to learn about investments, financial markets and the various departments working with the Sales & Investment teams.

Your daily responsibilities will include:

- Support in preparation of presentations and other discussion materials for use in client dialogue
- Keeping abreast of key market developments and establishing knowledge of the different markets and target client base
- Consistent maintenance of client information and contacts within the Benelux market

The ideal candidate should have the following qualifications:

- Highly motivated and pro-active individual wanting to be part of a dynamic and ambitious team
- Strong interest in financial markets & investments
- Strong social- and organizational skills
- Fluency in French and English, Dutch would be a plus
- Currently in 3rd year of his/her bachelor or pursuing his/her master in Economics, Finance or Business
