

Dual Traineeship - Private Equity and M&A (m/f)

A unique possibility to gain professional experience in both private equity and M&A on a Belgian and international level, through one single traineeship.

Integra Capital Partners & VDP

Integra Capital Partners (www.integra.fund) is a private equity fund manager founded at the end of 2018, managing a fund of more than 150 million euro, and is supported by a network of more than 100 entrepreneurs, family offices and institutional investors. The small and dynamic team currently consists of 7 professionals with a broad experience and has its offices in Zwijnaarde (Ghent). Integra Capital Partners combines investments in local SMEs, investments in international private equity funds and co-investments with these funds, giving it a differentiated and unique place on the Belgian market.

VDP (www.vdp.be) is an independent M&A and corporate finance boutique, focusing on lower and mid-market M&A transactions and other advisory services in Belgium, with over 25 years of experience. The team of 12 professionals has a track record of more than 400 transactions in a broad range of sectors, both at a national and international level, making it one of the top 3 independent advisors in Belgium. VDP has its main office in Ghent and has a branch office in Brussels.

Profile

You are an energetic, entrepreneurial person with a can-do attitude. You have an analytical mindset, you are eager to learn and a team player with strong communication skills. Finally, you like to work in a no-nonsense and pleasant environment.

Responsibilities

- Conduct thorough market research and sector screenings
- Perform analysis on companies and investment opportunities, drafting documents for both internal and external use such as information memoranda, investment notes, financial models
- Support the follow-up of portfolio companies
- Prepare and assist in client and investor meetings
- Assist in reporting

Competences

- You are currently enrolled or recently graduated in a Master course with an analytical or financial focus, and you have a strong academic or extra-curricular track record
- A first experience / internship in investment banking or strategy consulting is recommended (but not a must)
- Proficient in Dutch and English (oral and written), fluency in French is a plus
- Able to analyse market, business and financial information, with strong synthesis skills
- Solid knowledge of financial modelling, Microsoft Excel and Powerpoint
- Team player with good communication skills
- Good sense of humour

You are available for two consecutive periods of 6 months each, starting September 2022.

Offer

We offer a unique possibility to gain professional experience in both private equity and M&A on a Belgian and international level, through one single paid traineeship. You can count on a high level of coaching and time invested in you.

Send your CV, motivation letter and availability to Gilles Vanderstuyft (gilles.vanderstuyft@vdp.be) and Tom Casteels (tom@integra.fund). After a first screening you will be invited for an interview and case study.
