WE FORTIFY **EUROPEAN PROPTechs**,  
FORGING TOMORROW'S RADICALLY  
CHANGING **REAL ESTATE INDUSTRY**

**Are you passionate about entrepreneurship, innovation, technology and/or real estate?  
Do you want to get an insight in a young & dynamic European investment fund?  
Are you analytical, financially skilled & eager to learn?**

Then, Amavi Capital might have the internship you are looking for!

**AMAVI** is amongst the first movers on the European market as fully independent investment vehicle **focusing on promising scale-ups active in the PropTech industry** (technology and innovation related to construction and real estate). Amavi saw the light in 2019 but the team that runs it is very experienced and offers a wide experience:

**The two active partners of Amavi, [Arne Allewaert](#) and [Frederic Van den Weghe](#)** are building a European portfolio out of **Belgium** and are looking for a dynamic intern who is eager to assist them in building the Amavi story.

## **YOUR RESPONSIBILITIES**

- Perform analysis on investment opportunities and draft investment memo's
- Conduct market research and screen sectors
- Identify potential investment opportunities
- Provide assistance in the entire investment process, from preparation of business meetings, over term sheet drafting, due diligence and contracting to portfolio follow-up

## YOUR BACKGROUND & COMPETENCES

- You are currently enrolled in a Master course with an analytical or economical/financial focus
- You have experience with analyzing markets, sectors and financial information
- Fluent in Dutch and English. All other languages spoken in Europe are a plus!
- In order to perform financial modelling, knowledge of Excel is required.

## YOUR PERSONAL SKILLS

- Analytical, combine a helicopter view with eye for detail
- Strong communication and writing skills: the ability to synthesize and bring a clear message using PowerPoint
- Self-starter, flexible and open-minded.

## OUR OFFER

To gain unique professional experience within a small but very experienced team where you will have the chance to be involved in all business aspects of a starting fund. If you really want to make a difference as intern, you will most certainly benefit from a steep learning curve.
