

Internship opportunity

Unique opportunity to join a large cap European PE fund

Internship Description

Core Equity Holding is looking for top-performing master students for a ~6 months internship. He/she will be part of the investment team and be involved in early deal screening, deal execution and portfolio management. The position will be based in Brussels.

About Core Equity Holdings

Core Equity Holdings is an investment firm targeting long-term private equity investments across sectors. We focus on a handful of European platform companies that we aim to develop over the long-term. We target to deploy €200 million to €500 million of equity into each investment. Core Equity Holdings is led by a group of highly experienced private equity executives and backed by blue chip institutions. To date, Core Equity Holdings has invested in two companies: *id Verde*, the European leader of green space maintenance and creation and *Portman Dental Care*, the fastest growing dental chain in the UK.

Responsibilities (non-exhaustive)

- Analyze early deal opportunities (market/company attractiveness, financial performance, etc.)
- Build (and present) investment committee papers on potential deals
- Develop conviction / views on specific sub-sectors
- Draft presentation materials for internal and external purposes
- On live deals, be part of the deal execution team and assist on various aspects of deal execution (commercial due diligence, modelling, financial due diligence, etc.)

Qualifications and personality

- Master's student in business, finance or engineering, with top-quartile academic results
- Good written and verbal communication skills in English
- Strong analytical skills: proficiency in Excel / PowerPoint
- Prior consulting / banking internship experience preferred
- Personality: team player, entrepreneurial, high-energy / positive attitude and strong work ethics

What we offer

- Compensation package in line with industry standards
- For non-Belgians, support in finding accommodations and other practicalities
- Structured mentorship and review program

Application procedure

We are very much looking forward to meeting you.
